PRIVACY STATEMENT

E-mail addresses submitted when using the 'Contact' page will not be sold or disclosed to third parties but will only be used to make return contact with the sender. The 'contact' page is generated by software called RSForm! This gathers into a log the following information: IP address, Date added, Name, Email address, Subject and Message. This is kept for a limited period as a backup to the e-mails received by the normal Outlook Express. The log is cleared from time to time. This site uses cookies to track users for internal use.
