

Private springs and well investigations

Click on a picture and use the navigation tip to progress forwards or backwards. **SPRING AND WATER LEVEL INVESTIGATIONS AT A PRIVATE ESTATE INVESTIGATIONS FOR PRIVATE CLIENTS WITH THEIR OWN WELL** John Flude has carried out numerous investigations for private clients with their own well or spring supplies. Some Estates have spring sources that can be utilised for agricultural use. Some properties have an existing well that can be utilised for garden watering. The photographs below show a selection of these taken during the individual studies.
